Unsurpassed Performance...Delivered

Dear Community Member:

The award winning Franklin County High School Band is asking for your support. The Franklin County Band program strives for excellence and unsurpassed performance. The students involved in the music program are dedicated to musical excellence through collaboration with their peers and a strong work ethic. They work to create a culture of respect and encouragement as they learn and grow together.

As a business member in our community, we ask that you consider working with us as we fully support our band and auxiliary students. As a booster organization, the Franklin County Band Association, assists the band with scholarships, instruments, event fees, awards, marching equipment, uniforms and so much more. The contributions from businesses, such as yours, help us to support and encourage the band in all of its endeavors. We are honored by the recognition these students bring to our community through their award winning performances. Let's help them continue to bring home award winning honors to our Franklin County!

As a sponsor, you will be recognized according to the sponsorship level you choose. Thank you for considering a partnership with the Franklin County Band for the 2015 – 2016 school year.

Sincerely,

Rita Shoemaker
